

ISEA/NEA Retired

Are you a member?

“I AM!”

The Inclusive Association Membership (I AM) program is open to active members of ISEA who are at least forty-five (45) years of age or who are eligible to receive a pension from an educational employment retirement system. The program allows active members to pre-pay a Retired Lifetime membership over a three-year period before they retire. Members who have already retired are not eligible.

Certified members enrolling in I AM in 2024-25 will pay \$292 each year for two years and \$291 the third year for a total of \$875 for a Retired Lifetime membership.

ESP members enrolling in I AM in 2024-25 will pay \$175 each year for three years for a total of \$525 for a Retired Lifetime membership.

- Enroll now to lock in dues as they may increase next year.
- Annual payments will be collected through the pay method selected by members, with the I AM portion added to the amount already being deducted for their active membership dues.
- Members can pre-pay the entire amount by mailing a check made payable to ISEA.
- I AM payments toward a Retired Lifetime membership are non-refundable.
- I AM members become Pre-retired Lifetime members upon completion of their full obligation and Retired Lifetime members upon their retirement.
- I AM members who retire or leave the field of education prior to completing their full obligation will, at that time, have the option of paying the remaining balance to become Retired Lifetime members.
- No active members may vote or hold office as Retired members until they officially retire.

Retirement means leaving your job, not your profession.

ISEA/NEA Retired works for you!
